

Creative (Art, DT, Music)

DT - Lighthouses

This half term in DT, children will create their own lighthouses by using circuits and pulleys. We will use the Lighthouse Keepers Lunch to influence our designs.

Music

This half term, we will be working with the music specialist teacher to use all of the skills of singing, dancing, playing and composing to create small group performances within class.

PE

This half term, children will be taking part in cricket. Children will learn how to bat, bowl and field.

MFL

Spanish

Year 3 children will continue to develop their verb forms along with masculine and feminine adjectives.

Year 4 children will continue to develop their verb forms along with their responses to greetings, feelings and locations.

Computing

- Digital literacy - Children will learn that having a balance of online and offline activities is important for mental, physical, social and emotional wellbeing.
- Information technology - Children will learn to create a presentation on a chosen programme and then be able to present it to the class.
