

### Creative (Art, DT, Music)

#### Art - Sculpting

This half term in art, we will be appraising, designing and creating our own Egyptian sculpture using clay. Children will appraise existing Egyptian art and then create their own design based on their favourite piece before sculpting their own version using clay.

#### Music

This half term, we will be working with the music specialist teacher to use all of the skills of singing, dancing, playing and composing to create small group performances within class.

### Humanities (History, Geography)

#### History - Ancient Egypt

This half term in history, children will be learning about Ancient Egypt. They will use historical sources throughout in order to understand how the Ancient Egyptians lived before focusing on Tutankhamun, Cleopatra and the creation of the pyramids and comparing these significant people and events to other periods within history.

### Science

#### Topic - Rocks

During this half term, children will be comparing and grouping different types of rocks, describing in simple terms how fossils are created and recognise that soil is made from rocks and organic matter.

## Spring 2

### PE

This half term, we will be continuing to attend swimming on a Wednesday.
